Presented by Rachael Wonderlin, Dementia Care Consultant at Dementia By Day

Embracing Their Reality™ is a phrase Rachael Wonderlin trademarked that describes the best way to live in the world of the person living with dementia. When we embrace someone's reality,

we understand that their world may have shifted, but we're going to be shifting with it.

In this webinar, you'll learn easy, applicable communication techniques you can start implementing immediately. It's time to stop arguing with your loved one living with dementia and find a way to meet them where they are!
